"I am prouder of my friendship with those who worked with me in my humble beginning than of the adulations of the highest in the world," he added.

ELKS WATCH PARTY ON NEW YEAR'S EVE

Watch the Old Year Out With Us. Is Invitation to Elks By Tonopah Lodge

Any Elk who fails to attend the big watch party at the Elks' home on New Year's eve, Sunday night, will miss one of the finest social events ever given in southern Nevada. Preparations have been completed to make it the biggest ever, and indications point to a very lively time being in store for all the guests. In addition to the program already announced there is scheduled for that evening the final contest in billiard tournament which has been in progress for the past three months. Tables have been arranged for progressive whist, and splendid prizes will be given the winners. Besides there will be billiards and pool, a grand concert by an orchestra of six pieces, vocal selections, refreshments and dancing to commence one minute after 12 o'clock, Jan. 1, 1923. This indicates that there will not be a dull moment during the entire time, and all are assured of an evening filled with fun and enjoyment to fittingly usher in the infant 1923. The affair is for Elks only, and their lady friends. Admission fee is an Elk's card.

GERMANY DON'T WANT STABILIZATION—FRANCE

PARIS, Dec. 30.—France has made intensive study of the reparations question for the last four years and is convinced that Germany does not want to restore its financial stability if such step means the payment in full of a reasonable war indemnity. Such is the authoritative though unofficial comment on a speech of the American secretary of state at New Haven last night.

WEEKLY REPORT OF TONOPAH EXT. SHOWS RESULTS

Work of Sinking the Shaft From 2000 Level Again Under Way

Intensive work was the program in Tonopah Extension Mining company property. On the 2000-level work on the station was temporarily suspended, and sinking of the shaft resumed. Of more than passing interest was the announcement the latter part of the week that the company had purchased the West Tonopah holdings, adjoining the Extension property on the south and consisting of seven claims. The official reports say:

On the 1200 level of the McKane shaft west drift 1203 was advanced 19 feet in Extension breccia; west crosscut 1204 advanced 13 feet in Extension breccia; and west drift 1204 was advanced four feet on a foot of quartz.

In the Victor shaft, 1680 level, stopping continued on the Murray vein. Crosscut 1701, on the 1700 level, was advanced 16 feet on West End rhyolite. No. 5 raise, 1804 intermediate level, was advanced six feet on two feet of ore. East drift 1811 on the 1880 level, was advanced seven feet on five feet of ore. West drift 1811, on the same level, was advanced five feet on eight feet of ore. Raise 1803 was put up 20 feet on four feet of ore. Winzes 1803 and 1806, on the 1880 level, were continued on full faces of ore. Stopping on the Murray and Anchor veins continued.

On the 2000 level work on the station has been temporarily stopped and sinking of shaft resumed.

Development for the week totaled 112 feet.
